

The dream is coming true!

The San José Public Library system is working hard to fulfill the promise we made to you when you passed Measure "O" to provide for the renovation of our 14 existing branches and the construction of 6 new facilities. We are proud to report that, by the end of 2006, 10 of the 20 branch libraries will be open! Each new library is spectacular and unique, and reflects the community of which it is a part.

The Foundation's "***Branching Out: From Dream to Reality***" Campaign raises funds to help provide the fixtures, furnishings, equipment, technology, and opening day collections for these beautiful new buildings. Please support this Campaign, and help make our new libraries as wonderful and exciting as the knowledge they contain. Be a vital partner in this citywide commitment to quality education and cultural resources. Thank You.
